Thought for the Week

Some people make you laugh a little louder, your smile a little brighter and your life a little better.

Try to be one of those people.

Well Done, Secondary!

After last Saturday's brilliant end of the year for the Primary School, this Saturday, 1 June, is the Secondary School's turn to celebrate its achievers and graduates.

The TIS 20th anniversary year has been extraordinary throughout. It is fitting to celebrate achievers across the TIS four pillars - academics, sport, culture and service - as well as farewell our IB Class of 2024, the Creatives.

It is the perfect way to conclude 2023/2024.

While each part of the program is special and memorable, I always look forward to our Grade 12 students as they are called to the stage individually and we hear and view where their next journey takes them. The opportunities that our

"My definition of integrity is a set of beliefs, values, and actions that others can depend on."

-Steve Bollar

SAT & ACT

- Best advice: students who are required to complete SAT and/or ACT requirements should do so by the end of Grade 11. Leave it until G12 and you have created a personal time-management monster.
- Please follow instructions and details provided in the weekly Counsellors' Corner section of the TIS Bulletin.

Making Us Proud

The **PYP teaching and non-teaching staff** made us proud this week by working tirelessly and collaboratively, demonstrating exceptional dedication and teamwork to ensure the success of the annual Achievers and Graduation Ceremony despite the challenges with the rains resulting in a sudden change of venue on the morning of the event.

graduating students are offered are incredible and mind-blowing. See for yourself and be astounded!

Congratulations students, parents and staff on your incredible efforts to make our 20th anniversary year incredible. We are proud of you. Thank you.

Secondary students depart after this event on Saturday.

Crossing the Finish Line

It's always important to cross the finish line to enjoy the journey. Leaving things half-done is poor character-building.

While secondary students start their break after Saturday's Achievers and Graduation Ceremony, it is always disappointing when families are looking at an early finish. In a minority of cases, the reasons are legitimate; in many, it appears to be a case of avoiding the final hostel clean up.

Similarly, it is crucial to start on time and not delay a return to school. Otherwise, it is a case of playing catch-up which is never desirable.

I appreciate your support. Stay healthy.

MAIN CAMPUS INFORMATION

Exeat

There are two types of exeats: general and medical.

All students will be allowed two exeats each mid-semester. Please plan accordingly to avoid disappointments.

All exeat requests must be completed online and submitted with at least 48 hours' notice, with the exception of urgent medical issues. Weekend exeat requests must be received by the preceding Wednesday. Any requests after this deadline will not be approved.

The integrity of an exeat request is critical.

No exeats will be granted if a student has outstanding work.

No exeats will be granted during the last week before a semester break.

Parents/Drivers must show the approval exeat from their phone to enter (NO SHOW. NO GO!).

Students must return by 5.00pm on Sundays (weekend exeats).

General Exeat

A general exeat will cover passport and visa matters, as well as family events. These must not exceed more than two per mid-semester.

Access the general exeat form from here: <https://www.tis.edu.gh/exeat-form/>

Medical Exeat

A medical exeat will cover medical, dental, optical, and hospital appointments. When possible, appointments should be made for Saturdays, to minimise learning loss.

Access the medical exeat form from here: <https://www.tis.edu.gh/medical-exeat-form/>

A medical exeat is for the same day departure and return. Otherwise, it is a general exeat. Requesting a medical exeat with a departure on Friday and a return on Sunday is a weekend (general) exeat.

Celebrating Excellence: Achievers, Graduates, and Young Artists at TIS

On Saturday, May 25, 2024, the TIS Primary School community gathered to celebrate significant milestones and achievements, marking the end of an incredible academic year. This joyous season honoured our students' and parents' hard work, creativity, and dedication. Reflecting on the year, we proudly highlighted our success in inquiry-based learning through the six transdisciplinary themes, enriching unit celebrations, the culmination of the Primary Years Programme Exhibition (PYPX), various impactful student actions, and the grand finale - our Achievers' Day.

This year's Achievers' Day, the eagerly anticipated highlight of our year, celebrated the outstanding accomplishments of our learners in all areas of school life. We honoured academic excellence and notable achievements, presenting awards to students who demonstrated remarkable dedication, improvement, initiative, and leadership. The entire TIS community felt immense pride and joy as we acknowledged our students' hard work and celebrated their successes.

The program began with an opening prayer by Mr. Kwaku Darko, the MC, who set a reflective tone. The stirring notes of the TIS Anthem followed, instilling pride and unity among all attendees.

Next came a stunning ballet recital, showcasing the grace and skill of our young performers, paving the way for the graduates' procession. As students proudly walked to their seats, they symbolised their transition to the next phase of their academic journey.

In his welcome video address, Dr. Ken Darvall, our Principal, extended heartfelt gratitude to all students, staff, and parents for their dedication and support throughout the past year. He congratulated Grade 6 students on completing the PYP journey and looked forward to their progress in the MYP program starting in August 2024. He also celebrated the graduation of Kinder 3 students from the early years to the primary years of PYP. Dr Ken acknowledged the essential role of staff and the invaluable support from parents during challenging financial times, emphasising the strong community spirit at TIS Primary School.

Mr Jacob Lumumba, the distinguished PYP Coordinator, commended the graduating students for their remarkable understanding and application of learning. He highlighted their transformation from basic knowledge to deeper comprehension, reiterating the school's focus on lifelong learning. "Our students have shown incredible growth," Mr. Lumumba remarked. "They have moved from simply acquiring knowledge to deeply understanding and applying it effectively,

preparing them for future challenges."

Radiating warmth and enthusiasm, the Vice President of Head of Council, **Kekeli Agyekum**, greeted the audience, setting a welcoming tone for the evening. In his speech, he highlighted the significant impact of his short term in office, emphasising the notable contributions made to enhance the student experience.

He proudly shared the successful acquisition of more play items and ongoing efforts to secure additional resources, reflecting the administration's commitment to enriching the students' playtime and overall welfare. He also discussed advocacy for more playtime, ensuring students have ample recreation opportunities, which is crucial for their holistic development. Additionally, he reiterated the importance of balancing academic learning with physical activity, fostering an environment where overall learning is encouraged.

The introduction of the guest speaker by the student MC, Ms Christable Quao, led to an inspiring speech by **Nana Ama Buckman**, a TIS alumna and Head of Publishing & HR/Admin at Buck Press Ltd. Reflecting on TIS's positive impact on her life since graduating 17 years ago, she praised the school for breaking barriers and nurturing world-class citizens. "TIS has given me the foundation to achieve my dreams," Ms Buckman said. She encouraged the Primary Year graduates to be proud of their achievements, continue working hard, and strive for excellence. She advised them to overcome fear and self-doubt, focus on their goals, and uphold the values instilled in them. She expressed excitement for their future success and congratulated them on their accomplishments.

Interspersed with the award presentations were several performances, including a cultural display of the Jira dance, a dance-drama, and the pop band's

rendition of "Lean on Me" by Bill Withers, which added vibrancy and showcased the diverse talents within our school community.

Imani Brown-Glover, a young learner from Kinder 3, delivered a special, heartfelt message as she reflected on their growth and accomplishments during their three-year stay in the Early Years.

Similarly, Kadmiel Essel Annan, a primary graduate, confidently delivered the valedictory speech. He highlighted the significant achievements of the graduating students by reflecting on their journey and expressed gratitude to teachers and the entire school community for their shared experiences at TIS.

The pinnacle of the celebrations was the presentation of the highest special awards to two outstanding graduates honoured for their exceptional achievements. These awards highlighted their academic excellence, dedication, leadership, and contributions to the school community.

Stellar Early Years Student Award - Imani Brown-Glover

This honour is bestowed upon the Early Years student who consistently strives to exhibit the ATL skills: thinking, social, research, communication and self-management skills. Demonstrating a strong work ethic and a passion for learning, the recipient positively impacts those around them and takes on leadership roles. They exhibit a receptive attitude towards feedback, actively listening to advice from teachers, staff, and peers. Their positive attitude and willingness to incorporate suggestions into their learning journey further highlight their commitment to personal growth, character development, academic prowess, and a positive contribution to the Early Years community.

IB PYP Student of the Year Award - Kadmiel Essel Annan

This award honours a Grade 6 student at Tema International School who exemplifies excellence in all facets of school life and upholds the school's values, embodying the holistic spirit of the International Baccalaureate (IB) philosophy. The recipient must demonstrate academic excellence, personal development, and global citizenship. They must engage in lifelong learning and consistently uphold the TIS core values. Additionally, they must have been enrolled at TIS for at least three years and have a record of receiving IB Learner Profile awards from lower grades to Grade 6, showcasing their sustained commitment to the IB ethos.

The event continued with a charge delivered by Mr Saviour Yevugah, the Grade 6 Homeroom facilitator, encouraging students to carry forward the values and lessons learned at TIS.

A final song, "Something Just Like This," rendered by the Primary School choir, brought the event to a celebratory close. This event not only celebrated the achievements of our students but also highlighted the vibrant, supportive, and dynamic learning environment at TIS. Congratulations to all our students, and we look forward to another year of growth and success at TIS.

As we concluded these celebrations, we reflected on the incredible journey our students had undertaken this year. The achievements in inquiry, the joy of unit celebrations, the depth of the PYPX projects, the impactful actions taken, and the recognition on Achievers' Day all highlighted the vibrant, dynamic, and supportive learning environment at TIS Primary School. These milestones celebrated our students' accomplishments and inspired them to strive for excellence in all their endeavours.

We extend our heartfelt congratulations to all our students and their families for their unwavering support and commitment. Today's achievements reflect the resilience and spirit of excellence within the TIS community. To our graduates: carry the lessons learned and memories cherished as you embark on new journeys. To all involved: thank you for your dedication. Together, we've created an environment where every student can thrive. Let's continue to inspire, innovate, and make a difference as we close this chapter. Congratulations to all, and here's to a bright future ahead!

PYP Art Exhibition: Discovering Creativity through Inquiry

The art exhibition at TIS was a vibrant showcase of our learners' creativity and exploration, featuring an impressive array of artworks that spanned from intricate paper designs to expressive canvas paintings and detailed 3D models. Each piece reflected our unit of inquiry's central ideas and themes, demonstrating the students' ability to translate abstract concepts into tangible art. Dioramas brought to life scenes from their studies, capturing the depth of their understanding and the breadth of their imagination. This exhibition highlighted not only the artistic talents of our students but also their ability to connect their artistic endeavours with their academic inquiries, creating a dynamic fusion of learning and creativity.

Parent Reflection Corner

Mr. Andrew Nana K. Sarpong

Reflecting on the past academic year, I am filled with pride and gratitude watching all three kids grow and thrive.

Ariella has become a curious and confident learner, eager to explore new ideas and concepts. I've witnessed her resilience and determination in the face of challenges, as well as her kindness and empathy towards her peers.

Allen and Alden have learned to embrace their strengths, confront their weaknesses, and develop a love for learning that will stay with them forever.

Their learning journey has been marked by wonder, creativity, and joy. This year has taught me that learning is not just about academics but about growth, exploration, and self-discovery.

It's a blessing witnessing the growth of my little Angele from the shy girl to the analytical enquirer charged to explore and understand the world around her, particularly her genuine quest to make her world a better place. It's been another incredible learning journey this academic year, which has shaped.

Angele is a well-rounded student while preparing and shaping her into greatness with a wide understanding of the world around her and how she can contribute to making it a better place. Following her explorative journey this academic year, I am excited and motivated to explore the world around me and give my every best in every given opportunity to make my environment and the world around me a safe haven for every living creature.

My appreciation goes to Ms. Perfecta Ezzo and other teaching and non-teaching staff for the great work they put to ensure our learners turn out great. To the entire management and the founding family I say Ayekoo for another successful academic year.

Madam Angele Tossavi

Celebrating the class of 2024

To the graduating class of 2024, remember that the decisions and actions you take today will determine where you will be tomorrow. Dare to dream—you could be the next Kofi Annan, Elon Musk, Aliko Dangote, Sam Jonah, Maya Angelou, or Ama Ata Aidoo. It all begins with the steps you take today. Never settle for less! Integrity is key.

Do not be afraid to be the odd one among the lot. Everything is possible with a determined mind. I dare you to strive for excellence wherever you find yourself, in whatever capacity. Congratulations, class of 2024.

Celebrating the class of 2024

Graduating class of 2024, I have seen you touch lives through your countless efforts in community service and action. Your effort as a class, raising funds and campaigning for the health of patients with cleft palate in collaboration with Operation Smile and several other community uplifting projects, is commendable. Any group of young adults aiming to make this world a better place is a group of hope, a group of promise and a group that I wish the most success. Remember your God always and may he continue to bless all your endeavors as you step into this vast space of endless possibilities.

PEACE, YOU HAVE MY WORD is BACK!!!

Dear Students,

We are excited to present another enriching international opportunity, perfect for a **CAS Experience**: the "Peace, You Have My Word" essay competition is back! This year, more than ever, we need to amplify the voices of our youth on matters of peace, Africa, and sustainability.

Your reflections on the importance of peace and how we can all be agents of change are invaluable in the face of global challenges. This competition is a remarkable opportunity to contemplate these critical issues and take action.

We invite you to write a short, **150-word reflection** on one of the following topics:

- Peace is a Palaver Tree
- No Sustainability, No Peace
- I Am A Powerful African Peace-Maker

CAS Experience

PEACE, YOU HAVE MY WORD is BACK!!!

Peace .

The winning essay, a testament to your insightful reflections, will be showcased at the prestigious **Youth Peace Summit in September 2024** in Geneva and published across various platforms. This is your opportunity to inspire peace and leave a lasting impact.

Click on the link below to submit your entry. Let's inspire peace together!

University of Warwick – A parent's guide to university

With over 50,000 undergraduate courses in the UK at more than 395 providers, it is more important than ever for prospective students to make informed decisions about higher education.

As a parent, you are likely to be one of the most important and trusted sources of information for your child as they begin to explore their options. This guide is designed to help you think about the other key areas of university life apart from just finding the right degree course.

Whilst going to university is primarily about getting a higher-level qualification, the university experience offers so much more than that. Your child will learn to live independently, create professional

relationships, develop lifelong friendships, find or continue existing hobbies and interests and learn to be self-reliant and resourceful.

Support services

Flying the nest will appeal more to some than others, which is an important factor to consider for your child. Starting university will most likely be the first time your child has lived away from home. For some, this will start an exciting new chapter in their lives. However, for others, it may be more challenging. Therefore, it's important to look at the support services available while they are at university.

At the University of Warwick, we have the following support services available on campus:

- The Wellbeing Support Services Team provides practical and emotional support to help students navigate the challenges and opportunities of student life.
- The Disability Team provides tailored support and can implement reasonable individual adjustments to ensure students can successfully complete their degrees and make the most of life at Warwick.
- The Counselling and Psychology Interventions Team provides therapeutic interventions for students experiencing emotional or psychological issues.
- The Residential Life Team consists of staff and postgraduate students who live alongside students in our campus residences, providing a first point of contact for students who are struggling to adjust to living away from home.
- Together all provides a safe online community for mental health support available to both students and staff to gain 24/7 access to trained professionals.

Sponsors – Annual Achievers & Graduation Ceremony

Extra-curricular opportunities

Your child needs to strike a healthy balance between their academic studies and social life, and extra-curricular activities play a pivotal role in that, from improving self-esteem to acquiring practical life skills. Employers also look for students who have a range of abilities, personal qualities, and experience, and extra-curricular activities are a great way to demonstrate this.

At the University of Warwick, our extra-curricular opportunities fall into three main categories:

- [Societies](#) - Warwick Student Union has over 250 societies covering a wide range of student interests where students can meet like-minded people and discover what they are passionate about.
- [Sports clubs](#) – with over 60 sports clubs available and a state-of-the-art Sports and Wellness Hub students can choose to play competitively, or just for fun.
- [Volunteering](#) – volunteering opportunities allow students to boost their CV with real work/life experience whilst giving something back.

Careers services

Whether your child knows exactly what they would like to do once they graduate, or if they are still considering their options, it is important to look at the careers services that will be available to them both before, during, and after their undergraduate course.

Tailored careers services at Warwick Business School include:

- WBS CareersPlus - a dedicated team providing specialised careers services solely for WBS students including; 1-2-1 careers coaching appointments, job application workshops, employer-led presentations and skills sessions, placement year preparation, and much more.
- WBS CareersPlus employer events – our CareersPlus team organise bespoke employer events with companies such as Accenture, Aldi, E.ON, EY, L'Oréal, Royal Bank of Scotland, Rolls-Royce, and Unilever providing great networking opportunities and links to top local, national and international brands.
- WBS Alumni Careers Team – after completing an undergraduate course students will have lifelong careers and professional support with access to online careers resources, webinars, online events, and career coaching appointments.

In addition to this, student also have access to the wider university careers services which include:

- Student Opportunity Team – supporting students to engage with a rich and varied range of experience and opportunities such as large careers fairs to explore future career possibilities.

We hope this guide helps you support your child when taking their next steps into higher education.

Announcing: Buddies Without Borders Online Forum - Open

Project Plan: Coexistence: Case Study on Peace & Change Dates: July 1 - August 31, 2024

Students aged 15-18 worldwide are invited to join an exciting online forum aimed at brainstorming solutions to global challenges. This year's theme focuses on coexistence and the lessons we can learn from historical peace activists to create a better world today.

Benefits of Joining the Forum:

- **Global Collaboration:** Work with peers from different countries, bringing diverse perspectives and experiences.
- **Leadership Development:** Learn from the strategies and philosophies of renowned peace activists such as Mahatma Gandhi, Martin Luther King Jr., Malala Yousafzai, and others.
- **Skills Enhancement:** Develop critical thinking, communication, and project management skills through weekly online sessions and team projects.
- **Social Impact:** Design a social media campaign promoting coexistence, leveraging lessons from history to address current global issues.

CAS Creativity Strand:

Participating in the Buddies Without Borders Online Forum fulfills the Creativity strand of the CAS (Creativity, Activity, Service) program. It provides an opportunity to engage in a creative project that requires innovative thinking and collaborative problem-solving.

Learning Outcomes:

- **International Mindedness:** Engage with peers from around the world, understanding and appreciating diverse perspectives.
- **Global Issues:** Address significant challenges impacting societies globally, contributing to solutions that promote peace and coexistence.
- **Collaboration:** Work effectively in teams, learning the importance of cooperation and mutual respect.
- **Perseverance:** Develop resilience and determination by working through complex problems and challenges.
- **Ethical Choices:** Reflect on the ethical implications of actions and decisions, drawing lessons from historical peace activists.
- **Strengths and Areas for Growth:** Identify personal strengths and areas for improvement through continuous feedback and self-reflection.

Weekly Assembly – The end of another Academic Year at TIS

Weekly Assembly – The end of another Academic Year at TIS

Celebrating 20 Years of Service: Tema International School Empowering Dreams at Tetteh Ocloo School for the Deaf

This year marks Tema International School's (TIS) 20th anniversary, and we continue to uphold our commitment to positively impacting our community. For the past 16 years, TIS has partnered with the Tetteh Ocloo School for the Deaf in Ashaiman, collaborating on various project initiatives, including **Service as Action, Community projects, and CAS initiatives**. This enduring partnership highlights our dedication to service and community development. In celebration of our milestone anniversary, TIS took a significant step to support two remarkable students from the **Tetteh Ocloo School for the Deaf**. Mary Animwaa and Vida Atisey, graduates from the school's vocational department, have shown exceptional determination in their pursuit of a career in hairdressing. However, like many aspiring professionals, they faced the challenge of affording the necessary equipment to start their journey.

Understanding the importance of empowering these young talents, TIS sponsored Mary and Vida by providing them with professional hairdressing tools. On Thursday, the two graduates and their teacher visited our campus. **Mr. Eddy Torkornoo, (Administrator)** presented the items on behalf of **TIS management**. They received a set of washers, hair dryers, straighteners, and various hair care products. This generous gift marks a new beginning for Mary and Vida, equipping them with the tools they need to start their own businesses and achieve their dreams.

The coordinator of the **Tetteh Ocloo School for the Deaf** expressed heartfelt gratitude for the support, emphasizing the transformative impact of such initiatives. Mary and Vida were overwhelmed with joy and appreciation, their smiles reflecting the profound difference this support would make in their lives.

At TIS, we believe in the power of service to create positive change. Our commitment to the **Tetteh Ocloo School for the Deaf** is a testament to the enduring impact of community engagement. By supporting Mary and Vida, we are helping them build a brighter future and reinforcing the values of compassion, empowerment, and community that define our school.

As we celebrate our 20th anniversary, we are reminded of the importance of being of service to others. Initiatives like these inspire us to continue making a difference, fostering a sense of responsibility and empathy in our students. Together, we can build a community where every individual has the opportunity to thrive.

Here's to many more years of service, partnership, and positive change.

TEMA INTERNATIONAL SCHOOL SERVICE

At TIS, we believe that service, as one of the four pillars for student balance and ensuing success, provides a hands-on experience to demonstrate how we can make the world a better place through action and an understanding that success comes from helping others grow and becoming empowered.

EDUCATION FOR A BETTER WORLD

Change ^{the} World Through Teamwork

#Make a Difference

Ten tips for acting with integrity

Always act with honesty and in a responsible and ethical manner—being conscious of the influence that you have on those around you can set a great example to others.

Familiarise yourself with the school's rules and ensure that you understand what academic integrity means and consists of.

Don't try to gain an **unfair** advantage in coursework, mock examinations, or assessments by copying someone else's answers or using a mobile phone during an exam, for example.

Always reference and cite other people's work that you have used in your essays—be **proud** of explaining that you understood someone else's ideas and thought that they were good. **Seek help** if you are struggling or are not sure of expectations.

Stand up for what is **right**—alert a member of staff at your school if you suspect that someone has cheated.

Learn to **accept** your strengths and weaknesses and do the best that you can.

Take responsibility for your own actions and their consequences.

Know how to **safely collaborate** and share work when using social media and digital collaborative platforms.

Be mindful of maintaining academic integrity during group work/projects and keep track of what each group member is contributing.

Try to **overcome procrastination**. Managing your time wisely will reduce stress-induced, last-minute work which increases the likelihood of cheating.

Checklist for DISTURBING CONTENT

<p>Work out whether the content is right for your child. It might be around their age or just their personality, but trust your gut and put boundaries in place.</p>		<p>Read up on the issues it explores. If you show that you are comfortable and knowledgeable with the issues it explores your kids are more likely to open up to you during a tough time.</p>	
<p>Stay up to date with pop culture. You may not care about the Bieber's or Beyonce's of this world but following sites like Pedestrian.tv and news.com.au will help you stay ahead of the game.</p>		<p>Make sure they know that not everything they see is how it appears. Have a frank conversation about not taking everything on the internet at face value.</p>	
<p>Tell them that they don't have to watch something if they don't want to. <i>Brainstorm ways they can say no to their peers</i> and feel confident making their own decisions.</p>		<p>Encourage them to practice self-care. If they are going to watch something make sure they've got an arsenal of things to pick them back up afterwards.</p>	
<p>Offer to watch it with them. That way you can talk through anything tough as it comes up. This can be useful even if they've already seen the content.</p>		<p>Let them know where to go for help. Ask them who they would feel comfortable talking to and connect them with services like ReachOut or Kids Helpline.</p>

TEMA INTERNATIONAL SCHOOL ACADEMICS

At TIS, we believe that the academics, as one of the four pillars for student balance and ensuing success, provide a theoretical lens for inquiry, critical thinking and conceptual understanding, as well as the opportunity to demonstrate our knowledge and understanding across many areas of learning.

EDUCATION FOR A BETTER WORLD

TIS INTEGRITY Code

“TIS, as a family school that provides unique experiences, embodies a spirit of integrity and respect for others which are central to the personal, academic and ethical development of each member.

**As a TIS family member,
I promise to uphold and demonstrate its values,
and protect the reputation of the school.
I make this pledge in the spirit of honour and trust.”**
